**Celebrating 50  
years in 2022!**

The Wolfville Tritons Swim Club have made significant waves in the province and across Canada. Recognizing the impact such experiences may have in establishing lifelong habits of physical activity and fitness, the program stresses inclusiveness and values

collaborative effort. Beginning with children as young as 5 Tritons learn not only to swim, but to make personal goals, build resilience and work together in a team environment led by expert coaching. It is our mission to provide children with a strong

swimming program where swimmers can increase self-esteem and enjoy a unique team bond through their participation in the sport of swimming.

If your child has an interest in joining Tritons please contact our registrar today.
